Hi Connie,
It's been nice having

battles fought there.
Best of Luck to a
swell kid Bruce

Dear Connie
It's been a
fun time. I
realized it
was a nice
time in the
world in your
eyes. I
love you

Hi Connie,

Hi Catherine,
I sure appreciate
the great honor
of this beautiful writing
book of yours. I've sure
had some of the best times
in my life. We should have
a nice new car to drive
in and this would be a
really nice home for
a ball! I
love to have
other people in our
lot & more fun in
your party!! I'm sure
all over the country
you found as much fun
as we have had in
any of our
years. I
don't get together as
much as we used to
but I'll miss it all
the more. I hope we
can have a little party
soon. We should
have a swimming
party. I
love to have
other little
parties.
Right?

That sure was a lot of fun when we
 got stuck in the mud and sank in
 about a mile. That sure was nice hav-
 ing all that sliding mud running
 through our toes!! The when we were
 all chicken to go swimming in the
 lake and then when we did get up

enough cou-
 age to get
 in the water.
 we didn't
 dare go out
 any further
 than about
 two inches.
 I sure hope
 Mr. Schumacher
 gets

real weath-
 er some
 day even
 if we do
 have to
 help him
 along a
 little bit.

I sure
 am going
 to wish
 all the fun
 we have
 had with
 all the
 teachers
 we have
 had

 year

 this sum-
 mer ever
 going to
 regret
 that they
 ever said
 they would
 advise us
 when
 we were
 up. I
 think we
 shall have
 that time
 of

Especially Mr. John-
 son, and his
 singing solo-ists.
 It sure is a lot
 of fun listen-
 ing to these peo-
 ple stand
 up in the
 front of the
 room shaking
 so much they
 could hardly
 stand up. I

have had together. It sure was nice having Mrs. Stenbre for those few days in Religious Instructions again. She really adds so much to the class!

The senior class play should really be a good one this year! The kids that read the book "Seventeenth" said it was a real good play.

Junior High School

There are three hundred and ninety-one students in the junior high section of Central High School this year. One hundred and twenty-nine students make up the four sections of the seventh grade and the eighth grade, also divided into four sections, has a total enrollment of one hundred and nine pupils.

The freshmen class is organized on a basis similar to that of the senior high classes. Class meetings are held whenever there is some business which concerns the class. The officers are: president, Neil Gulden; vice-president, Larry Pray; secretary-treasurer, Karen Hillman; and the student council representatives are Sybil Stokke, Martha Rolloff, Joanne Holm, Sandra Weisbrod, and Jerome Kern. Mr. Hoffman, Mr. Hubbard, Mr. G. Stai, and Mr. Holden are the freshmen class advisors.

The eight ones, with Mr. Johnson as the advisor, have as their officers: Arthur Anderson, president; Marilyn Oyen, vice-president; Sharon Einerson, secretary-treasurer; and student council representative, Bruce Adamson.

The eight two's class advisor is Mr. Fleming. Sara Larson presides at the meetings, but if she is absent, Diane Dilly, as vice-president, is in charge. Laren Olstad records the minutes and is in charge of the treasury. Their student council representative is Paul Warme.

The eight three's advisor is Mr. Jauss, and their officers are: president, Dennis Giere; vice-president, Karen Shawd; secretary-treasurer, Dean Schulke; and student council representative is Tom Copper.

Mr. Schumaker is advisor of the eight four's. Lorraine Oakland is the president; Marc Brown, vice-president; Sharon McAuliffe, secretary-treasurer; and Kern Rodeberg is the student council representative.

Miss Miller is the seven ones advisor. Joyce Preckel is the president; Lyle Freeman is vice-president; secretary-treasurer is Sally Thomson; and Robert Blank is the student council representative.

The seven two's advisor is Mr. Eliason. The officers are Kim McAuliffe, president; Scott Harding, vice-president; James Anderson, secretary-treasurer; and Norman Engel, student council representative.

Mr. Miller is the seven three's advisor. John Schutz is president; Raleigh Lillemoen, vice-president; Kathryn Wilson, secretary-treasurer, and William Triggs is the student council representative.

The seven four's, with their advisor, Mr. Moe, have as their officers: president, James Miller; vice-president, Merle McClung; secretary-treasurer, Sharol McKinney; and student council representative, Donald Rolstad.

The junior high students are being highly represented this year in musical organizations which include band, orchestra, chorus, and a number of ensembles.

The junior high band consists of about fifty-five members.

There are sixty-nine girls and sixty-five boys in the junior high chorus. Chorus meets in two parts most of the time, but sometimes they all meet together.

Both the vocal and instrumental music departments have numerous ensembles.

G.A.A. is one of the many extra-curricular activities for junior high girls. It is under the direction of Miss Barsness. There are about fifty girls taking part. The officers are Martha Rolloff, president; Sandra Weisbrod, vice-president; Sybil Stokke, secretary; and Beatrice Bang, treasurer. This year the girls' main activity has been bowling.

Journalism, under the direction of Miss Miller, is another interesting activity. The junior high paper is called The Mohawk Messenger. The editor this year is Martha Rolloff. Twenty-two junior high students take part in this activity.

In basketball, coached by Mr. Jauss, there are thirty-six seventh graders, nineteen eighth graders, and eighteen ninth graders. The junior high "B" team cheerleaders are: Sybil Stokke, Nancy Anderson, Carmen Pomroy, and Carol Hein. Miss Barsness is their advisor.

The Student Council is composed of representatives from each class. The council selects dates for class parties and discusses problems and activities of the junior high. Miss Edna Johnson is the advisor. The officers of the council are: Sybil Stokke, president; Jerome Kern, vice-president; and Sandra Weisbrod, secretary. Other members of the council are: seventh grade—Robert Blank, Norman Engel, William Triggs and Donald Rolstad; eighth grade—Bruce Adamson, Paul Warme, Tom Copper, and Kern Rodeberg; ninth grade—Martha Rolloff and Joanne Holm.

When we consider all these activities we see that the Junior High is indeed a very active part of Central High School.

PEP BAND

The fast, peppy music of the Pep Band is heard at pep fests and basketball and football games. With their enthusiasm the school spirit has risen to an even higher pitch.

The pep band is composed of the more experienced members of the band.

TWIRLERS

Active in many of the school activities are the Monte Twirlers. During the summer whenever the City Band marches, you will see the shiny glittering of uniforms and silver, gleaming batons whirling through the air. The majorette senior, Glennis Haugerud, led the band during the half time performance of homecoming while the three twirlers marched in position. They put in hours of rehearsing with the high school band.

When the band participated in the parade at Mankato State Teachers College, they were rated excellent in the mass band performances before the grandstand.

HOMECOMING CELEBRATION

The "Homecoming" celebration planned by the senior class was an outstanding event of the year. The feature of the pep meeting was the coronation of the homecoming queen. The three lovely senior candidates were Janice Lovhaug, Karen Standring, and Lois Mettling. Karen was elected. A large crowd watched the Mohawk-Granite Falls game. Our slogan was "Watch Granite fall." Half-time entertainment featured the queen and the high school band. Following the game a homecoming dance was held at the Ramsey school.

The money we earned from the campaign will go into our treasury to help finance our class trip.

A senior class committee stayed after school on the day Christmas vacation started to dismantle the class tree.

HISTORY

Many were the teachers that heard this chant in our first years of school:

"Teacher, teacher married the preacher. Preacher died; teacher cried; That's what made poor teacher cross-eyed."

Every Hillcrest student had the thrill on May Day of being in the annual May Pole Dance. Wasn't little Denny Marble cute carrying the crown? Meanwhile, in Watson, Marlene Skeie was making a mad dash to rescue her dolly during a fire drill.

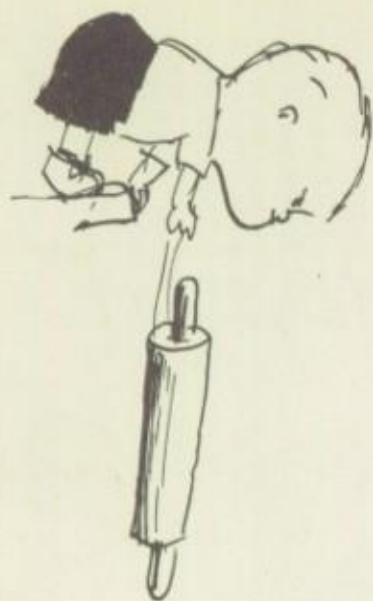

Many were the girls that Pete Hemstad chased home (Greta is the latest one.) The girls' chant was: "Run, run, here comes the florist's son" As Jeanie Johnson was spinning around on the merry-go-round, she saw dear Dorothy Lanes as usual trying to make her ascent up the monkey ladder, ripping buttons off as she went.

Our baseball team was made complete by the boys who used to play against each other in the country schools. Two of their most ardent fans were Jeanette Rekstad and Janice Norman.

Rah! Rah!" These were the words that started us on our trail to fame and success when we won the yelling contest during our first year in junior high.

Young dramatists now started showing their talent by writing and producing play, especially in the 8² section.

Leaving the eighth grade we then proceeded to our freshman year. What a gala year that was with our class meetings and parties! The main events of our parties were "Wink-em" and "Musical Chairs." Remember the play, "Wilt Thou Mabel?" with Marilyn Jordahl showing her great talent as a minister, and Peggy Peterson showing up Liberace as she stumbled through the wedding march. Let's all remember this was the year the rural, Watson, Wegdahl, and Monte kids united to form the class of "1956"---the great, wonderful, marvelous, stupendous, famous, record-braking, and above all--modest senior class.

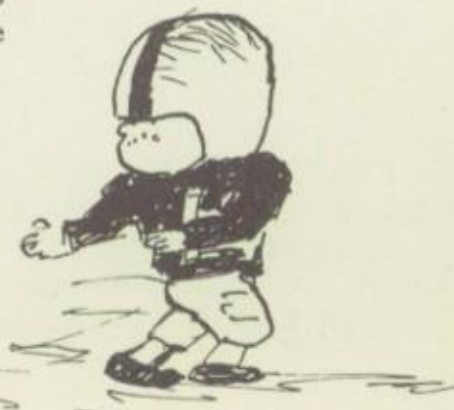

Another year has slipped through the fingers of time. Remember the Red Cross drive in Miss Margaret Johnson's class when we set a record which we, out of the goodness of our hearts, hope will be broken. In our class meetings we also set a record on our ability to be able to communicate more w. p. m. (words per minute) than any other class. The result was that we were placed in alternate seats in the auditorium.

Never has there been a year like the junior year. All of us were pushing peanuts, pop-corn, and candy, whether it was in the chilly atmosphere of the football season or in the heat and fervor of the basketball season. Never will the residents of Montevideo and the surrounding area forget our junior class play, "Our Miss Brooks," nor will we forget our very successful Heart Hop in February.

Even now as we are seniors, walking down memory lane, many of our recollections are still vivid, such as the long, brown stockings of our grade school days, which have been outmoded by knee socks and bermudas. As all good things must end, so does this history of the class of Nineteen Hundred Fifty-Six.

Class Will

We the graduating class of 1956 of Central High School in the city of Montevideo, in the county of Chippewa, and state of Minnesota, being of sound mind and sounder body, upon leaving these hallowed halls, sorrowfully leave behind our worldly possessions and cherished attributes to those who will be taking our places as seniors. Hi Connie!

Speaking of being sweet
sister it doesn't look much like you
going to make it! Haha!

I Wonder if we're ever going to
go down and talk to Mr Brown. Because
Mr Chaison said he'd give us one more
chance.

I don't think I'll be able to write
a whole page in your book. But I'll try.

You're a sweet kid and I wish you
lots of luck! (with love)

Carol

Stupa Connie,
(Fri. morn.)
"I wish" your great
year is gone. (I'll go to
time in the near future) I'll go to
(Fri. evening) I'll go to
continue in the near future, so here I am.

Big deal! I wish I had shot him at the track meeting tonight.
I had squashed it. I felt so sorry for it. You shoulda'
seen how cute Mr. Johnson's little puppy was when Mr.
Johnson showed him that little puppy. Gotta go
I'm getting now, so I'd better sign off. Well, bye
luck and happiness in the future to a swell
kid with a nice personality. Keeps on smiling.

Sincerely yours,
Dandy Johnson

Hi Sweetheart,

Thank-you for reminding me to thank him for the pen. I really appreciate it.

I won't forget all the good times we have had together. Especially our Piano duets. I won't ever forget the talent show when old giggles ^(you) gets one of her spells.

Don't forget the good times we have had at all our parties, especially yours; and Autos. Sweet Sixteen (Ha Ha)

And you can't forget dear little David or Donald or what ever his name is from Appleton. I wasn't really mad at Dennis, but I did feel awfully dumb.

Boy ^{we} sure have had our share of troubles, with the teachers and all this year. We still have a big!! problem. Some-^{times} we can look in the past and think of all the trouble we have caused the teachers and everybody else.

Best of luck with Douglas and I hope your wish comes true. Maybe this Friday. I love you Connie and don't ever change your way.

Love,

Marion

Hi Connie,

Well this year is just about over, thank goodness! I couldn't stand any more of this could you? Its so boring!

We sure have had good times together. Especially when we went horseback riding out a Carleton and going swimming for which you got, you know what! We have had a real good time this year outside of school. But we've also gotten into alot of trouble. Especially with some of the teachers like Fleming, Johnson, Gauss, Edna Johnson and Schumacher.

Well I sure hope I get in some of your classes next year. I think it will be much more fun next year. This summer will be walking quite alot, coming home from getting initiated.

You're a real cute kid and I wish you all the luck and happiness in the world.

Love,
Sara

Sweet Sixteen and Never Been Kissed
